FROM THE EAST

In case you haven't already noticed, one of my focal points this year is on education.

How many of you remember your first, second or even your third proficiencies that you knew so well when you went through your degrees? Even as an alternate coach, I'm not sure I could pass every lecture that I had once committed to memory. That is why I am setting aside ten minutes of every degree meeting for a refresher time. I want you to think and remember those ideals which were instilled in you that caused you to become a better man and Mason. Don't worry, my education committee has promised me they will keep your attention and jog your memory.

Thanks to all of you Vegas 32 members who attended the Grand Master's Appreciation Dinner last month to show our support to the Craft and Most Worshipful "Bud" Banks.

By the way: Blessed is the man who digs a well from which another may draw faith.

Fraternally,

Stan

Worshipful Master

FROM THE WEST

We are entering the fourth month of our Masonic year and it looks as if the hectic schedule for degree work will continue for the foreseeable future. As such, I would like to extend this challenge

to the newer Brothers of our Lodge: Get involved in the degree work, learn any of the parts, even if it's one of the smaller ones, because as you continue to participate you will discover how much clearer the lessons contained in these degrees will become. If you need assistance in learning the work please feel free to contact me and I will render whatever help is needed.

Remember to contact me regarding any of our infirmed or shut-ins.

Fraternally,

Mike

Senior Warden

FROM THE SOUTH

Well time goes by fast, April has arrived and Spring is upon us. We are having a truly great year. We are initiating new brothers, passing them and raising them. Making good men better men. While doing this we are improving ourselves, being better citizens, helping our communities and learning new things.

I believe Spring will give us extra energy because it's informing us that Summer is coming, when we energize ourselves and will be ready for the second part of the Masonic year. Also, it will give us the opportunity to practice our Masonic teachings into our life. Maybe we will involve more community work or help our neighbor because we all know that Masonic teachings are not

just limited in the lodge room, rather, it exceeds its boundaries.

As before, I wish to thank everyone who is helping me in this journey. I would like to quote one of Bro. George Washington's sayings, "Being persuaded that a just application of the principles, on which the Masonic Fraternity is founded, must be promote of private virtue and public prosperity, I shall always be happy to advance the interests of the Society, and to be considered by them as a deserving brother."

Fraternally,

Birant

Junior Warden

FROM THE SECRETARY

As we enter the Month of April, let us not forget our annual visitation with Downey United Lodge No 220, of Downey, California. We will be hosting this year and I will have a sign up sheet for those who wish to join us for this historic visit. The sign up sheet will help us determine how many we will need to feed for the luncheon and dinner, also it will help with how much we will need to spend for this event. So, please sign up early! Other than that, your Secretary has nothing else for this article. I hope to see you at Lodge!

Fraternally,

Mark

Secretary
